I'm 5 Years Ahead Of My Time

Primal Scream

I'm living somewhere in a new dimension,
I'm leaving everyone so far behind
Don't waste (my) any time (girl), step inside my mind
I'm 5 years ahead of my time
(Step) Look into my mind, look ahead, don't look behind
I'm 5 years ahead of my time

I'm doing exactly what I want to, society can't (fuck) play with my mind
If you love me baby, come along with me
I'm 5 years ahead of my time
(Step) Look into my mind, look ahead, don't look behind
I'm 5 years ahead of my time

It may seem like I'm coming on strong (little girl)
But I know just where it's at for me
I'm through caring about (what's) their right (or) and wrong
I've unlocked the door to life's mystery
(Step) Look into my mind, look ahead, don't look behind
I'm 5 years ahead of my time
(Step) Look into my mind, look ahead, don't look behind
I'm 5 years ahead of my time

Five years ahead of my time
Five years ahead of my time
Five years ahead of my time
