

# If I Only Had a Match

Frank Sinatra

If I only had a match then my cares I'd soon forget  
All I'd need would be a match if I had a cigarette  
If I had a cigarette I could watch the smoke rings curl  
But I'd really be all set if I only had a girl If I had someone like you to hurry to each night  
In a cozy bungalow we'd know such sweet delight  
We could raise a family and a little garden patch  
And to think this all could be if I only had a match If I had someone like you to hurry to each night  
In a cozy bungalow we'd know such sweet delight  
We could raise a family and a little garden patch  
And to think this all could be if I only had a match
