

# Fall in Love with Me

## Iggy Pop

You look so good to me  
Here in this old saloon  
Way back in West Berlin  
A bottle of white wine White wine and you  
A table made of wood  
And how I wish you would  
Fall in love with me You look so good to me  
Standing out in the street  
With your cheap fur on  
Or maybe your plastic raincoat And your plastic shoes  
They look good too  
Standing in the snow  
You're younger than you look Fall in love with me  
Fall in love with me  
How I wish you would  
A table made of wood And a, a bottle of white wine  
And you and a bottle of white wine and you  
And when you're standing in the street and it's cold  
And it snows on you  
And you look younger than you really are I wish you would  
Fall in love with me  
I wish you would  
Fall in love with me I wish you would  
Fall in love with me  
I wish you would  
Fall in love with me yeah, yeah The way your eyes are black  
The way your hair is black  
The way your heart is young  
There's just a few like you Just the kind I need  
To fall in love with me  
Oh, and you look so good  
Oh, yes, you look so good A bottle of white wine  
A cigarette and you  
Here in this saloon  
White wine and you I wish you'd fall in love with me  
I wish you'd fall in love with me  
'Cause there's just a few like you  
So young and real There's just a few like you  
So young and real Fall in love with me

Fall in love with me  
Fall in love with me  
Fall in love with me  
I wish you would You look so good Oh, when you're young at heart  
There's just a few like you  
You're young at heart Won't you  
Come to this old saloon?  
Come to my waiting arms  
A table made of wood And I will look at you  
'Cause you're so young and pure  
And you're young at heart  
You're young at heart  
A bottle of white wine And when you're tumbling down  
You just look better  
When you're tumbling down  
You just look finer
