

Lonely

Jamaram

like a kaleidoscope will turn and make the picture change
although the image may be shifting the colours you can see will be the same
when I wake up a new opportunity with every new day
and at the end of the day it's what you do and not about what you may say it gets so lo-lo-lo lonely
in the night I better tell you know before my time has come to go
ah ah - time to go now
I want you to know it's been so nice to know you
ah ah - nice to know
better tell you now before my lights go out
it's been so so nice to be around
and even if some doubt is what I must go through
this is my life I'm livin' now
it gets so lo-lo-lo lonely
in the night
