

We Are All Earthlings

Michael Franti & Spearhead

We are all earthlings
And we share the air we breathe
We're all made from heaven's seeds
And we are all earthlingsAnd I love this life we live
And I love to give this feeling away
I love this life we live
And I'm gonna give it all away
So shine your light until the break o' dawn
And shine your light if you're all alone
And shine your light until the early morn'
Let it shine on and on and on and on and onWe are all earthlings
From the cities to the mountains and the deserts and the deep blue see
To the palaces and prisons and the paradises that I see
That we are all earthlingsAnd I love this life we live
And I love to give this feeling away
I love this life we live
And I'm gonna give it all away
So shine your light until the break o' dawn
And shine your light if you're all alone
And shine your light until the early morn'
Let it shine on and on and on and on and onAnd we all sing
(It's alright, it's alright, it's alright, it's alright)
So shine your light until the break o' dawn (it's alright, it's alright)
And shine your light if you're all alone (it's alright, it's alright)
And shine your light until the early morn' (it's alright, it's alright)
Let it shine on and on and on and on and on (it's alright, it's alright)We are all earthlings
We are all earthlings
