

# Frontier Psychiatrist

## The Avalanches

Is Dexter ill? Is Dexter ill? Is Dexter ill  
Is Dexter ill today, Mr Kirt, Dexter's in school?  
I'm afraid he's not, Miss Fishpaw Dexter's truancy problem is way out of hand  
The Baltimore County school board have decided to expel  
Dexter from the entire public school system Oh Mr. Kirt, I'm as upset as you to learn of Dexter's truancy  
But surely, expulsion is not the answer  
I'm afraid expulsion is the only answer  
It's the opinion of the entire staff that Dexter is criminally insane That boy needs therapy, psychosomatic  
That boy needs therapy, purely psychosomatic  
That boy needs therapy Lie down on the couch, what does that mean?  
You're a nut, you're crazy in the coconut  
What does that mean? That boy needs therapy  
I'm gonna kill you, that boy needs therapy Grab a kazoo, let's have a duel, now when I count three  
That, that, that, that, that boy, boy needs therapy  
He was white as a sheet and he also made false teeth Avalanches is above, business continues below  
Did I ever tell you the story about  
Cowboys, m-m-midgets, the Indians and, Fron, Frontier Psychiatrist  
I, I felt strangely hypnotised I was in another world, a world of 20,000 girls  
And milk Rectangles, to an optometrist, the man with the golden eyeball  
And tighten your buttocks, pour juice on your chin  
I promise my girlfriend I'd, the violin, violin, violin Frontier Psychiatrist  
Frontier, frontier, frontier, frontier  
Frontier, frontier, frontier, frontier  
Frontier, frontier, frontier, frontier That boy needs therapy, psychosomatic  
That boy needs therapy, purely psychosomatic  
That boy needs therapy Lie down on the couch, what does that mean?  
You're a nut you're crazy in the coconut  
What does that mean? That boy needs therapy  
I'm gonna kill you, that boy needs therapy Ranagazoo, let's have a tune, now when I count three  
That, that, that, that, that boy, boy needs therapy  
He was white as a sheet and he also made false teeth Frontier Psychiatrist Can you think of anything else that  
talks, other than a person?  
A-a-a bird? Yeah, sometimes a parrot talks  
Hello, hello, hello, hello  
Yes, some birds are funny when they talk  
Can you think of anything else? Um, a record, record, record
