

I Don't Mind

Joseph

I see you getting sad
I feel it running through your blood
Let it run like water out of mud
You think you're crazy
Yell your sadness loud
Throw it up against the wall
See what stays then go and put it on It keeps you warm
I will love you anyway
With all your demons in the way
Nothing can keep us apart
I'll walk through walls into your heart I never know your troubles
I only know what's mine
Can't pretend to feel what I cannot
That'd be crazy I will love you anyway
With all your demons in the way
Nothing can keep us apart
I'll walk through walls into your heart I don't mind
I don't mind
I don't mind
I don't mind I will love you anyway
With all your demons in the way
Nothing can keep us apart
I'll walk through walls into your heart I don't mind
I don't mind I will love you anyway
With all your demons in the way
