

# Rasputin (Boney M Folk-Metal Cover)

## Turisas

There lived a certain man in Russia long ago  
He was big and strong, in his eyes a flaming glow  
Most people looked at him with terror and with fear  
But to Moscow chicks he was such a lovely dear  
    He could preach the bible like a preacher  
    Full of ecstasy and fire  
    But he also was the kind of teacher  
    Women would desire  
    Ra ra Rasputin  
    Lover of the Russian queen  
There was a cat that really was gone  
    Ra ra Rasputin  
    Russia's greatest love machine  
It was a shame how he carried on  
    He ruled the Russian land and never mind the czar  
    But the cassock he danced really wunderbar  
    In all affairs of state he was the man to please  
    But he was real great when he had a girl to squeeze  
    For the queen he was no wheeler dealer  
    Though she'd heard the things he'd done  
    She believed he was a holy healer  
    Who would heal her son  
    Ra ra Rasputin  
    Lover of the Russian queen  
There was a cat that really was gone  
    Ra ra Rasputin  
    Russia's greatest love machine  
It was a shame how he carried on  
    "This man's just got to go!" declared his enemies  
    But the ladies begged "don't you try to do it, please"  
    No doubt this Rasputin had lots of hidden charms  
    Though he was a brute they just fell into his arms  
    Then one night some men of higher standing  
    Set a trap, they're not to blame  
    "Come to visit us" they kept demanding  
    And he really came  
    Ra ra Rasputin  
    Lover of the Russian queen  
    They put some poison into his wine  
    Ra ra Rasputin  
    Russia's greatest love machine  
He drank it all and he said "I feel fine"  
    Ra ra Rasputin  
    Lover of the Russian queen  
    They didn't quit, they wanted his head

Ra ra Rasputin  
Russia's greatest love machine  
And so they shot him till he was dead
