

# When I

[Lisa Shaw](#)

I can remember when  
You were always there  
Everyday was made for you  
You always felt my hand  
Forever, I hear you say  
That you needed me  
Forever, I hear you say  
That you can't

When I needed your lovin  
You were always by my side  
When I needed your lovin  
You were always by my side

Just way that love? you show me  
What it means to feel good  
You opened up my world  
And show me that we could  
Be only won, be only know  
Then you left me alone

When I needed your lovin  
You were always by my side  
When I needed your lovin  
You were always by my side  
By my side  
By my side
