

# Lovesick

## On Broken Wings

Something different  
Something new  
When all I do is think of you  
Starring at an empty wall  
Cluttered with pictures of you so beautiful  
I'll swallow one last eyeful  
only to turn and fall (to my knees) Something different  
something new  
when all I do is think of you  
A subsidiary lookout point  
Before I'm fining out on my own  
Begging to fall asleep  
It's innocent, I need you  
Begging to fall asleep, lying here wasting winks  
Wait on promises of better things You left so much space  
But I can't make a move since you said  
Why are you breaking down  
We're only breaking up  
After all it's not like you loved me anyway  
But if I did, would I even stand a chance  
I don't know what love is  
Or maybe this is love
