Knuckles (Acoustic)

Moose Blood

[Verse 1]
It wasn't hard to fall for you
You had it all planned out, didn't you?
You turned up late but I would have waited for days
Days for you
For you[Chorus]
That thing you said, "stay beautiful"
Even though that I know that it's second hand
I'd have you say it in the same way
That thing you said, "stay beautiful"
Even though that I know that it's second hand
I'd have you say it in the same way
[Verse 2]
I thought I said I wasn't good at this
I couldn't tell you that I wanted you but I wanted to
It took so long, you made me wait
You had it all planned out, didn't you?
Didn't you?[Chorus]
That thing you said, "stay beautiful"
Even though that I know that it's second hand
I'd have you say it in the same way
That thing you said, "stay beautiful"
Even though that I know that it's second hand
I'd have you say it in the same way[Bridge]
I walked you back so you didn't feel alone
I know that you're stuck with him, I know
You've got his name on your arm, his words on your knuckles
So I walked you back so you didn't feel alone
