Daddy's in the Doldrums

Secret Machines

Mother walks the streets
With a baby in her hands
While the child weighs on her mind
Mom's looking for a man'Cause her Daddy's in the Doldrums
And Mama wants to dance
Yeah, Daddy's in the Doldrums
And he can barely standSo where were you?His eyes stood frozen, dark
A breath of overcasting black
He watched her walk away
And now she ain't coming back'Cause her Daddy's in the Doldrums
And Mama wants to dance
Yeah, Daddy's in the Doldrums
And he can barely standSo where were you?With each step she took
Another nail driven in building her wreckNo, don't look back or
Watch me reign down, 'cause it's an actThough my love just feels deceit
The sickening beat gets carried away
