Dark Comet's Reign

Luca Turilli

[music & lyrics: Luca Turilli]And so unexpected came that sad mystic day
no words could have told what now was happening
It fell down quaking the Zaphyr's surface
blinding the eyes of a thousand dying men
who were looking at it falling right over them
What seemed to be an astral fireball
was hurling metal, a dark and giant starship
colliding with Zephyr's volcanic grey rocks...
grey rocks!SPACE AND TIME
BURN IN THE SKIES
DARK COMET'S RIDE
KEEP YOUR FAITH
THE DAY...IT CAME
DARK COMET'S REIGN
DARK COMET'S REIGN!After a long day
they reached the central hall
no trace of bodies
only computers' voice
All seems so strange in that mysterious ship
where are the people?
could there be some survivors?
no life... but there are real feelings of death...
Suddenly mournful cries echo all around
there's one young girl hidden in the fathest corner
she's shocked and afraid but at least she's alive...
alive!
