

Look What You Made Me Do

KIDZ BOP Kids

I don't like your little games
The role you made me play
Of the fool, no, I don't like you I don't like your perfect crime
How you laugh when you will lie
You said this thing was mine
Isn't cool, no, I don't like you (oh!) But I got smarter, I got harder in the nick of time
Honey I rose up from the day
I do it all the time
I've got a list of names and yours is in red, underlined
I check it once, then I check it twice, oh! Ooh, look what you made me do
Look what you made me do
Look what you just made me do
Look what you just made me
Ooh, look what you made me do
Look what you made me do
Look what you just made me do
Look what you just made me do I don't like your kingdom keys
They once belonged to me
You ask me for a place to sleep
Locked me out and threw a feast The world moves on, another day, another drama, drama
But not for me, not for me, all I think about is karma
And then the world moves on, but one thing's for sure
Maybe I got mine, but you'll all get yours But I got smarter, I got harder in the nick of time
Honey I rose up from the day
I do it all the time
I've got a list of names and yours is in red, underlined
I check it once, then I check it twice, oh!
Ooh, look what you made me do
Look what you made me do
Look what you just made me do
Look what you just made me do Ooh, look what you made me do
Look what you made me do
Look what you just made me do
Look what you just made me do Ooh, look what you made me do
Look what you made me do
Look what you just made me do
Look what you just made me do
