

# Whoopsie Daisy (feat. Ava Truth Darnell)

## North Point Kids

Me and my family like to play  
We like to dance around  
But when we dance sometimes we spin  
And tumble on the ground and we say...

Whoopsie daisies, whoopsie daisies  
Whoopsie daisies now  
I'll be okay, God still loves me  
Whoopsie daisies now

Me and my family like to sing  
We like to sing so loud  
But when we sing sometimes we crack  
And it's not the greatest sound so we say...

Whoopsie daisies, whoopsie daisies  
Whoopsie daisies now  
I'll be okay, God still loves me  
Whoopsie daisies now

We're just kids having accidents  
But we don't mean no harm  
And the only words that seem to fit  
When we sneeze or burp or ...

Umm, I don't think we should say that, Ava.  
Oh, sorry Rosa, whoopsie daisies  
It's okay.

And on those days I make mistakes  
And I just want to frown  
God gave me my family  
To turn those frowns UPSIDE DOWN!

Whoopsie daisies, whoopsie daisies  
Whoopsie daisies now  
I'll be okay, God still loves me  
Whoopsie daisies now

Whoopsie daisies, whoopsie daisies

Whoopsie daisies now  
I'll be okay, God still loves me  
Whoopsie daisies now

Whoopsie daisies, whoopsie daisies  
Whoopsie daisies now
