Sodomy

G.MacDermot

No boss and no one over me
no god that i could ever see
no law to bring me down
and we all fall
sodomy
dissolveno man and no one ever sees
what church had always done to me
no god to bring me down
and we all fall
sodomy
dissolveno love but nothing close to hate
no time for celestial complicates
no law to bring me down
and we all fall
sodomy
dissolve
