

# Enter The Ninja (Ará»¥'s Drum & Bass Remix)

## Die Antwoord

[Chorus]

I, I, I

I am your butterfly

I need your protection

Be my samurai

I, I, I

I am your butterfly

I need your protection

Need your protection I'm a ninja, yo

My life is like a video game

I maintain when I'm in the, zone

One player one life on the mic

I'm in the dark Yo, ninja, go No fuckin' around I'm cutting down

Anyone in my path

Tryna fuck up my game with razor sharp

Lyrical throw stars

Killin' my foes like

Hos! Ska!

Wild, outta control

Ninja skop befokte rof taal

Rough rhymes, tough times

Met fokkol kos, skraal

Till I hit triple seven at the A.T.M.

Straight famine or feast,

When you're living on the razor edge

Stay sharp, sharp

Rolling with the S.O.S.

High energy

Never seen zef so fresh

Uh, when we mic check

Hi-def flow's flex

Yo we aren't the messed up

Not fucking the best

We not like the rest

My style is U.F.O.

Totally unknown

You can't fuck with my new Zef flow

I'm hard to miss

"You can't do this, you can't do that"

Yo, fuckin' who said so?  
I do what I like  
Too hot to handle, too cold to hold  
You can't fuck with the chosen one  
I-I-I want the knife  
I'm a Ninja[Chorus: x2]Ninja is poes cool  
But don't fuck with my game  
Boy or I'll bus' you  
Life is tough  
When I get stuck  
When my time is up  
I push through  
Till I break-break-break  
On through to the other side  
Fantastically poor with faces like a stalker  
Ninja is hardcore  
Been cut so deep, feel no pain  
It's not sore  
Don't ask for cock or  
You'll get what you ask for  
I'm like a wild animal in the corner  
Waiting for the break of dawn  
Trying to get through the night  
Just a man with the will to survive  
My blades swing free  
Decapitate a hater with amazing ease  
This is not a game, boy  
Don't play with me  
I work my light saber like a wild fucking savage  
From the dark side danger  
Yin to the yang  
Totally Hi-Tek Ninjas  
Motherfucking big in Japan  
I seen the future, but I never got nothing in my hand  
Except a microphone, big dreams and a plan  
Fly-talking, sky-walking  
Like a ninja[Chorus: x2]Fuck, this is like  
The coolest song I ever heard in my whole life  
Fuck all of you who said I wouldn't make it  
Who said I was a loser  
They said I was a no-one  
They said I was a fuckin' psycho  
But look at me now,  
All up on the interweb  
World-wide, 2009
