

# Time Is Love

**Barnes J. J.**

[josh turner]i know i gotta put in the hours,  
make the money while the sunlight shines  
    but anything i gotta get done,  
it can get done some other time  
    time is love, gotta run,  
    love to hang longer,  
but i got someone who waits,  
    waits for me and right now  
    she's where i need to be,  
    time is love, gotta run  
    i only get so many minutes,  
don't wanna spend 'em all on the clock  
    in the time that we spent talkin',  
    how many kisses have i lost?  
    time is love, gotta run,  
    love to hang longer,  
but i got someone who waits,  
    waits for me and right now  
  
    she's where i need to be,  
    time is love, gotta run.  
    gotta fly  
        fly  
    before one moment  
        gets by?  
    time is love, gotta run,  
    love to hang longer,  
but i got someone who waits,  
    waits for me and right now  
    she's where i need to be  
    time is love, gotta run,  
    love to hang longer,  
but i got someone who waits,  
    waits for me and right now  
    she's where i need to be,  
    time is love, gotta run.  
    time is love, gotta run?
