Bitte Ein Kuss

Onelinedrawing

This is where those movies make their money
It doesn't hurt, it's more like being thirsty
In lonel airport waves and drugged-up, dimlit raves
This is where those movies make their moneyThis is where the wisdom hits the airwaves
This is where Yastrzemski makes the big play
In our cars and in our homes, with everything on loan
This is where the wisdom hits the airwavesIt's time for a bit of in-the-bed disco
It's time for a bit of in-the-bed discoChristiane, bitte ein kuss
Christiane, bitte ein kuss
ChristianeYou are so much chaos
I love your chaos
Doin' it is wrestling underwater
You are so much chaos
I love your chaos nowIt's time for a bit of in-the-bed disco
It's time for a bit of in-the-bed discoChristiane, bitte ein kuss
Christiane, bitte ein kuss
Christiane, do you wanna?
Christiane, bitte ein kussHer hips, her hips are like seashells
And I can hear the ocean when I listen
Her hips, her hips are like seashells
and I can hear the ocean when I listen
Her hips, her hips are like seashells
And I can hear the ocean when I ooohhhChristiane, bitte ein kuss
Christiane, bitte ein kuss
Christiane, do you wanna?
Christiane, bitte ein kuss
Christiane
