

Rain

Madonna

I feel it...

it's coming...

Rain

feel it on my fingertips, hear it on my window-pane
your loves coming down like

Rain

wash away my sorrow, take away my pain
your loves coming down like

Rain

when your lips are burning mine and you take your time
to tell me how you feel
when you listen to my words and I know you've heard
I know it's real

Rain is what the thunder brings

for the first time I can hear my heart sing

Call me a fool but I know I'm not

I'm going to stand out here on the mountain top
'til I feel your

Rain

feel it on my fingertips, hear it on my window-pane
your loves coming down like

Rain

wash away my sorrow, take away my pain
your loves coming down like

Rain

When you looked into my eyes and you said good-bye
could you see my tears

when I turned the other way did you hear me say
I'd wait for all the dark clouds bursting in the perfect sky
you promised me when you said good-bye
that you'd return when the storm was done
and now I wait for the light
I wait for the sun til I feel your

Rain

feel it on my fingertips, hear it on my window-pane
your loves coming down like

Rain
wash away my sorrow, take away my pain
your loves coming down like...

Here comes the sun, here comes the sun and I say never go away...

(talking)
Waiting is the hardest thing. I tell myself that if I believe in you and I dream of you with all my heart
and all my soul that by sheer force of will, could raise you from the ground and without a sound
you'd appear to surrender to me to love

(talking overlapped)
I feel like I've known you before. I want to understand you more and more and more and make you feel like a
magical child, everything strange, everything wild

Rain is what the thunder brings
for the first time I can hear my heart sing
Call me a fool but I know I'm not
I'm going to stand out here on the mountain top
'til I feel your rain
I feel it, it's coming
your loves coming down like rain,
I feel it, it's coming your loves coming down like

Rain
feel it on my fingertips, hear it on my window-pane
your loves coming down like

Rain
wash away my sorrow, take away my pain
your loves coming down like...
rain
I feel it it's coming...your loves coming down like rain
I feel it, it's coming
your loves coming down like

RAIN
