

Dougy Giro

Toy Dolls

You can guess what life for Dougy
is like, he wakes up in the street,
No home, no bed, he says he's lucky,
That he can smile and be happy...

CHORUS:

Dougy, Dougy, Giro,
Dougy, Dougy, Giro.

People say that he's not worthy
of clothes, that shows that they don't care,
But he does not let this get him down,
That is how Dougy stays alive...

CHORUS

Dougy's inside a bus shelter,
It's raining and a sight to see,
Dougy smiles he's seen a rainbow,
Every.. where's bright, and so is he...

CHORUS
