

Take What You Want (feat. 5 Seconds of Summer)

ONE OK ROCK

Take what you want
Take what you want and go
Take what you want
Take what you want and go
Take what you want
Take what you want and go
Take what you want
Take what you want and goé•Žă•ŽăŽ»ă•£ă•Ÿăµ•ă•®ă•,ă•`ă•®é•™ă•‘ă•

I don't want anything in our broken home
Not the memories or the things we own
Not the picture of us on the wall
So take what you want
Can you hear me? I'm tryna hear you
Silence strikes like a hurricane
I'm singing for you, you're screaming at me
It's hard to see your tears in the pouring rainTake what you want, take what you want and go
Take what you want, take what you want and go
Take what you want, take what you want and go
Just go now, just go, go, goStill remember a time when you felt like home
You and me up against the great unknown
You were my life, now you're out of my life
Yeah, I guess that's lifeCan you hear me? I'm tryna hear you
Silence strikes like a hurricane
I'm singing for you, you're screaming at me
It's hard to see your tears in the pouring rainTake what you want, take what you want and go
Take it, no reason for me to hold on
Look in my eyes, I'm letting go
Keep it, don't need it, don't need it, don't need it
Take what you want, take what you want and goCan you hear me? I'm tryna hear you
Silence strikes like a hurricane
I'm singing for you, you're screaming at me
It's hard to see your tears in the pouring rain, in the pouring rain
I don't want anything in our broken home
Not the memories or the things we own
All the memories
Take what you want, take what you want and goCan you hear me?
