

Last Chance

Unwritten Law

She'll be my demise
With red lips and bloodshot eyes, oh
My girl, she just don't know
('Cause she knows she won't be [Incomprehensible]) Well, she came like a woman and she left like a girl
She gives me good, good lovin' then she rocks my world
She got her name from her daddy and style from her mom
She said that love ain't nothing but a whirl in the sun Ooh-la-ti-di-la-ta-da
(And the band played on) Last chance to get started
Last dance, yeah, and I keep fallin'
In love with you, let's do it again
Let's do it again Oh yeah, I'll be there for you
White lying to kiss goodbye, oh
Small price, my one true vice is you, oh yeah
(Nothing [Incomprehensible]) Well, she toys with the boys then she cries like a girl
She gives them good, good lovin' then she rocks their world
When she runs to her dad, he says she acts like her mom
Singin' love ain't nothing but a whirl in the sun Ooh-la-ti-di-la-ta-da
(And the band played on) Last chance to get started
Last dance, yeah, and I keep fallin'
In love with you, let's do it again
Let's do it again Last chance, so let's get started
Last dance, yeah, and I keep fallin'
In love with you, let's do it again
Let's do it again Whoa-oh, oh-oh-oh-oh
Whoa-oh, oh-oh-oh-oh
(Ooh, and I can do it right now) Whoa-oh, oh-oh-oh-oh
Whoa-oh, oh-oh-oh-oh
(Ooh-la-ti-di-la-ta-da) Whoa-oh, oh-oh-oh-oh
Whoa-oh, oh-oh-oh-oh
(Ooh, and I can do it right now) Last chance to get started
Last dance, yeah, and I keep fallin'
Last chance to get started
Last dance, yeah, and I keep fallin'
In love with you, let's do it again
Let's do it Last chance, so let's get started
Last dance, yeah, and I keep fallin'
In love with you, let's do it again (Whoa-oh, oh-oh-oh-oh)
Let's do it again
(Whoa-oh, oh-oh-oh-oh)

Let's do it again
(Whoa-oh, oh-oh-oh-oh)
Hey
