Glory Bound (Re-Recorded Version)

The Grass Roots

Glory Bound
Grass RootsAll the sun on the outside
Doesn't touch what I feel within
When I've got you beside me
I'm reachin' out for the rainbow's end
You get to me and give me a feelin' that's comin' on
Gettin' stronger and stronger[Chorus]
Glory bound to that everlastin' feelin'
Glory bound, oh I'm never never comin' downIt's 5:00 in the mornin'
I'm lookin' out on a sky of gray
I don't care, let the rains come
If I'm with you it's a sunny day
You make me feel so close to heaven
Whenever I'm beside you[Chorus]I need the comfort I see in your smile
I need the touch of your hand
Come on and bring out the best in me, girl
Don't you know that you can[Chorus: Repeat till fade]
