All My Love

Mary J. Blige

Oh oh, yeah
Ooh oh, ooh oh
Oh yeahCan we just talk about the love and all the things we do
You rub my back and boy, you know I'll do the same for you
You treat me good, I'll treat you good and things will be alright
Come over here my sugar dumpling 'cause it's on tonightDon't you worry 'bout a thing
('Bout a thing boy)
Because you gave me this ring
(You gave me this ring yeah)
I won't ever let you down
(said I won't let you down, no)
'Cause my love is your fate
So please hurry don't wait
I'm gonna give you
(All of my love)
I'm gonna give you
(All of my love)
I'm gonna give you
(All of my love)
I'm gonna give you
(All of my love)Boy don't you know that deep inside you are so beautiful
(Beautiful)
You're made for me so never ever, ever let me go
(Oh no)
I never knew someone could set my soul and body free
No time to wait so sugar won't you give your love to me
And as far as I can see
(Far as I can see baby)
You're the only one for me
(You're the only one for me)
And you're everything I need
(You're everything I need)
'Cause your heart is cared for me
And I don't wanna be free
(I don't wanna be free)I'm gonna give you
(All of my love)
I'm gonna give you
(All of my love)
I'm gonna give you

(All of my love)
I'm gonna give you
(All of my love)I'm gonna give you
(All of my love)
I'm gonna give you
(All of my love)
I'm gonna give you
(All of my love)
I'm gonna give you
(All of my love)It feels so good to find love, sweet love
(Yes it does)
I'll try not to neglect it
(I'll try not)
Always cherish every second
(Always love you baby)
When ever I need you, you're always right there
(Always right there)
I call you my best friend
(I call you my best)
Hope this love will never endI'm gonna give you
(All of my love)
