Special

Garbage

I'm living without you
I know all about you
I have run you down into the ground
Spread disease about you over townI used to adore you
I couldn't control you
There was nothing that I wouldn't do
To keep myself around and close to youDo you have an opinion? A mind of your own
I thought you were special, I thought you should know
But I've run out of patience, I couldn't care lessI
IDo you have an opinion? A mind of your own
I thought you were special, I thought you should knowI used to amuse you
I knew that I'd lose you
Now you're here and begging for a chance
But there's no way in hell I'd take you backDo you have an opinion? A mind of your own
I thought you were special, I thought you should know
But I've run out of patience, I've run out of comments
I'm tired of the violence, I couldn't care lessI'm looking for a new
I'm looking for a new
I'm looking for a new
I'm looking for a newWe were the talk of the town
We were the talk of the town
We were the talk of the town
We were the talk of the townI thought you were special
I thought you were special
I thought you were special
I thought you were special
I thought you were special
