

# Crazy Every Time

Tracy Byrd

When we heard that train a comin'  
Should've seen old Billy Walker run  
I laughed and yelled hey Billy  
You're gonna miss all the fun  
Between me and that cold water  
I bet there was fifty feet of air  
When I jumped that bridge was shakin'  
But me I wasn't scared  
Call me crazy but when the choice was mine  
I'd pick crazy every time[Chorus]  
Mama thought she taught me  
Better safe than sorry but I guess I've always  
Been the other kind  
I disregard all reason don't look for hidden meaning  
And I don't really care if it don't rhyme  
Born with a rebel state of mind  
I'll pick crazy every time  
Between drag racin' cane raisin' girl chasin'  
Bootleggin' I like my livin' on edge  
Ask me what I'd change and I'll say there's one thing  
To this day I still regret  
She was the best thing I had goin'  
That's what Billy Walker said  
Nobody else will treat me better  
Love me like she did  
All I had to do was walk that line  
But I'll pick crazy every time[Chorus]
