Rules

Shakira

You have to swear you've got love to love me

Aah, aah, that will last forever

Aah, aah, we must have a story

Aah, aah, with a happy ending

Aah, aah, so don't ever go away

And never put aside the things I'm gonna say

'Cause these are the rules for usUse your eyes only to look at me

Use your mouth only to kiss my lips

We are branches of the same old tree

You can laugh only if you laugh with me

You can cry only if you cry for me

Don't forget that you're condemned to me

Oh can't you see you always were, you'll always beYou used to say I should see a doctor

Aah, aah, who would keep me busy

Aah, aah, 'cause a jealous woman never makes it easy

Aah, aah, and you know I'll do for us whatever seems right

But it may take awhile before I change the rulesUse your eyes only to look at me

Use your mouth only to kiss my lips

We are the branches of the same old tree

You can laugh only if you laugh with me

You can cry only if you cry for me

Don't forget that you're condemned to me

Oh can't you see you always were, you always wereSo use your eyes only to look at me

Use your mouth only to kiss my lips

We are the branches of the same old tree

You can laugh only if you laugh with me

You can cry only if you cry for me

Don't forget that you're condemned to me

Oh can't you see you always were, you'll always be
