## **Toto**

99, I've been waiting so long Oh 99, where did we go wrong? Oh 99, I love you99, I keep breaking your heart Oh 99, how can we be apart? Oh 99, I love youI never thought it would happen I feel quite the same I don't want to hurt you anymoreI never knew it would work out No one to blame You know I love you 9999, you keep holding my hand Oh 99, they don't know who I am Oh 99, I love youI never thought it would happen I feel quite the same I don't want hurt you anymoreI never knew it would work out No one to blame You know I love you 9999, I can't take it no more Oh 99, oh we were so sure Oh 99, I love you99, I love you 99, I love you
