

Wholy Holy

Marvin Gaye

Wholy holy
Come together
Wholy holy
People, we all got to come together
'Coz we need the strength, power and all the feeling Wholy holy
Oh Lord, get together, one another
Wholy holy
We should believe in one another
Jesus left a long time ago, said he would return
He left us a book to believe in, in it we've got a lot to learn
Oh yeah Wholy
Oh Lord, we can conquer hate forever, we need him
Wholy
We can rock the world's foundation
Everybody together, together and holy
Will holler love, love, love across the nation Oh, oh
Wholy holy
All together and holy
We proclaim love, our salvation
Oh, oh, ooo
