One-X

Three Days Grace

Do you think about everything you've been through?
You never thought you'd be so depressed
Are you wondering, is it life or death?
Do you think that there's no one like you?We are
We are
We areWe are the ones
We get knocked down
We get back up and stand above the crowd
We are oneWe are the ones
We get knocked down
We get back up and stand above the crowd
We are oneThe life I think about is so much better than this
I never thought I'd be stuck in this mess
I'm sick of wondering, is it life or death?
I need to figure out who's behind youWe are
We are
We areWe are the ones
We get knocked down
We get back up and stand above the crowd
We are oneWe are the ones
We get knocked down
We get back up and stand above the crowd
We are oneThe life I think about is so much better than this
I never thought I'd be stuck in this mess
I'm sick of wondering, is it life or death?We are the ones
We get knocked down
We get back up and stand above the crowd
We are oneWe are the ones
We get knocked down
We get back up and stand above the crowd
We are oneWe stand above the crowd
We stand above the crowd
We stand above the crowdWe stand above the crowd
We stand above the crowd
We stand above the crowdWe are the ones
(We stand above the crowd)
We get knocked down, get back up
(We stand above the crowd)We are the ones
(We stand above the crowd)

We get knocked down, get back up
(We stand above the crowd)We stand above the crowd
We stand above the crowd
We stand above the crowd
