Bluer Than Blue

Nanci Griffith

After you go
I can catch up on my reading
And after you go
I'll have a lot more time for sleepingAnd when you're gone
Looks like things are gonna be a lot easier
Life will be a breeze, you know
I really should be gladBut I'm bluer than blue
Sadder than sad
You're the only light
This empty room has ever hadLife without you is gonna be
Bluer than blueAnd after you go
I'll have a lot more room in my closet
After you go
I'll stay out all night long if I feel like itAnd when you're gone
I can run through the house screaming
And no one will ever hear me
I really should be gladBut I'm bluer than blue
Sadder than sad
You're the only light
This empty room has ever hadLife without you is gonna be
Bluer than blueI don't have to miss no TV shows
I can start my whole life over
Change the numbers on my telephone
But the nights will sure be colder'Cause I'm bluer than blue
Sadder than sad
You're the only light
This empty room has ever hadLife without you is gonna be
Bluer than blue
Bluer than blue
Bluer than blue
