Girl I gotta be next to you
Girl I gotta be next to you I'm waiting, anticipating for you baby
(cause I gotta be next to you)
And I'm wanting
You cause you got me
Boy you got me
(cause I gotta be next to you) Baby you on my mind
As long as we spending time girl
(cause I gotta be next to you)
(cause I gotta be next to you) I ain't tripping about the lime light
Cause when i'm with my shawty
She keep my mind right
When we up in the mall
She feel up shopping bag
She love to popp them tags
She love to drive the jags
Whenever we alone
She throw away my phone
cause she don't want no in a rushes while we going strong
My baby, my baby
Don't be on that bullshit
My baby, my baby
Know I keep her full clip
That's why I
Met her outside 745
That's why I
Take pride when I slide up in them thighs
My baby boo she true
U know she hold me down
So when I get some time
I spend it with her now I'm waiting, anticipating for you baby
(cause I gotta be next to you)
And I'm wanting
You cause you got me

(cause I gotta be next to you) Baby you on my mind
As long as we spending time girl
(cause I gotta be next to you)
(cause I gotta be next to you) My lil' mama she know how the game go

She know of is bout the money
She know daddy gotta go

She trust me and keep it true
Even tho I live alone
She knows that I love her too
While i'm out I gotta get it
Gotta stay on the grind
And she already know when im home
She take all my time, I
Love to cuddle her
Love to make her blush
Girl I cant get enough
cause I gotta be next to you
Love to cuddle her
