

Spirits In the Material World

The Police

There is no political solution
To our troubled evolution
Have no faith in constitution
There is no bloody revolution We are spirits in the material world
Are spirits in the material world
Are spirits in the material world
Are spirits in the material world Our so-called leaders speak
With words they try to jail you
They subjugate the meek
But it's the rhetoric of failure We are spirits in the material world
Are spirits in the material world
Are spirits in the material world
Are spirits in the material world Where does the answer lie?
Living from day to day
If it's something we can't buy
There must be another way We are spirits in the material world
Are spirits in the material world
Are spirits in the material world
Are spirits in the material world
Are spirits in the material world
Are spirits in the material world
