

# Cry On My Shoulder

## Westlife

You could cry on my shoulder,  
I know its hard when them nigts grow cold, stressed out, need somebody to hold you,  
You can cry on my shoulder  
Heart ache only gunna bring us closer  
Its a war outside ill be your soldier  
You can cry on my shoulder  
When the world start to turn you away,  
I got a place & you welcome to stay  
You can cry on my shoulder  
Dont be ashamed theres nothing wrong with yu cryin,  
Dont worry bout it everythang will be fine  
You can cry on my shoulder.  
13 years old & the daddy was fuckin her  
Only time she feel love when somebody was fuckin her  
And now im stuck with her  
Gotta build trust with her  
Somebody call the governer or maybe the coroner  
She out there on the ave sellin ass on the corner  
She need to go to church n get the lord in the corner  
She said he ignore her,  
He never respond  
I said you gotta communicate & that creates a bond  
I keep open arms baby,  
You're never alone  
I know its hard out here,  
By yourself on your own  
Take your time babygirl dont you rush to be grown  
As long as im around you got a place called home  
You can cry on my shoulder  
I know its hard when them nigts grow cold, stressed out, need somebody to hold you,  
You can cry on my shoulder  
Heart ache only gunna bring us closer  
Its a war outside ill be your soldier  
You can cry on my shoulder  
When the world start to turn you away,  
I got a place & you welcome to stay  
You can cry on my shoulder  
Dont be ashamed theres nothing wrong with yu cryin,  
Dont worry bout it everythang will be fine

You can cry on my shoulder.  
I know the world can be a hard place to live in,  
Especially with the racism & the killings,  
Drug dealins  
And corrupt politticts  
That reality pill, its hard to swallow it  
Ive acknowledged this  
Harder on the good women  
Cuhs half the niggas gay the others in prison  
And the very few good ones dog you out  
  
And the others with a white bitch ballin out  
It comes together na  
I see why you so pissed off  
The only time you get attention when ya panties off  
But you's a blessin bae  
I need you to understand  
God created you as a gift to a man  
So you could cry on my shoulder,  
I know its hard when them nigts grow cold, stressed out, need somebody to hold you,  
You can cry on my shoulder  
Heart ache only gunna bring us closer  
Its a war outside ill be your soldier  
You can cry on my shoulder  
When the world start to turn you away,  
I got a place & you welcome to stay  
You can cry on my shoulder  
Dont be ashamed theres nothing wrong with yu cryin,  
Dont worry bout it everythang will be fine  
You can cry on my shoulder.  
I was rasied in a single parent house  
See my momma was my daddy and the needle of the family  
I know about tradgety and heartache I promise  
Niggas shootin at eachother,  
Nothin new im bein honest  
A funeral like every week  
Familiar with the service  
Too familiar with the deservin?  
Somebody call a surgeon  
I got a whole in my heart,  
I hope im livin for a purpose  
You hear about the pain but im seein it in person  
I need some reassurament  
I feel like we experiments  
Put us on Section 8 like a form of endurenment

We have to build pyramids,  
With unity & trust  
Penetrate an opportunity the rest is up to us.  
You could cry on my shoulder,  
I know it's hard when the nights grow cold, stressed out, need somebody to hold you,  
You can cry on my shoulder  
Heart ache only gonna bring us closer  
It's a war outside I'll be your soldier  
You can cry on my shoulder  
When the world starts to turn you away,  
I got a place & you welcome to stay  
You can cry on my shoulder  
Don't be ashamed there's nothing wrong with you cryin',  
Don't worry about it everything will be fine  
You can cry on my shoulder.
