

# Never Get Naked in Your Shower

Julian Smith

-Chorus-

I'll never get naked in your shower

I promise I'll always wear my clothes

I only get naked in my shower, behind closed doors

but I'll never get naked in yours as long as I'm a guest in your home, I declare this an anti-awkward zone

n' there ain't no need for privacy, ain't no private parts you see

this way we don't have to be, a-lone. hunh!-Chorus-(Spoken)

Johnny: It's getting kinda steamy in here! Julian: Well you can take your shirt off if you want. Johnny: I'm not

taking my shirt off-(Screamed/sung)

I'll never get naked in your shower

(Spoken)

Julian: Good Job, that was a test.

(Screamed/Sung)

I promise I'll always wear my clothes

I only get naked in my shower, behind closed doors

But I'll never get naked in yours-Commercial break-(Sung)

I'll never get naked in your shower

I promise I'll always wear my clothes

I only get naked in my shower, I MADE THIS FOR behind YOU closed doors

But I'll never get naked in yours
