Pretty Polly

Poison Girls

Polly is a pretty girl
Polly is a future girl
Left her sweet suburban home
Went to make it on her own
Her mother was a TV mum
Kept a sweet suburban home
Taught her daughter how to use
Only the best cosmetic foam
Taught her daughter how to use
Her assets in a world of trade
Taught her daughter very well
Polly soon had got it made
Polly is a future girl
Liberation is her way
Pulling on her seamfree tights
She made straight for the city lights
Anxious to please. Genetic disease
How shall I please you. Shall I be witty
Anxious to please genetic disease
How shall I please you
Shall I show you my titty?Polly's doing very well
Up there in the city lights
That's the way her money goes
To pay for all her seamfree tights
Polly is a pretty girl
Liberation is her way
Polly is a future girl
Polly always pays her way
Her job is hard. She does it well
She plays around with bulls and bears
She plays hard she plays to win
Piling up her stocks and shares
Polly is a future girl
She makes a profit never loss
Polly is a pretty girl
Polly doesn't give a oss
Anxious to please. Genetic disease
How shall I please you
Was that all they taught her

Anxious to please. Genetic disease
How shall I please you
Shall I give you my daughterHer job is hard she plays to win
Pretty Polly's in the know
Never late she takes the pill
Easy come and easy go
Pretty Polly's on the game
Polly knows her V.A.T.
Liberation is her way
Polly gets her tights for free
Polly is a pretty girl
Got an independent mind
She's got liberated dreams
Not the romantic kind
Polly is a pretty girl
Running rings around her boss
Polly is a future girl
Polly's never at a lossAnxious to please. Genetic disease
She's good at her job
And her boss says 'You're so pretty'
Anxious to please. Genetic disease
She'll never know for sure
Why she does so well in the city...
