

Call and Answer

Barenaked Ladies

I think it's getting to the point
Where I can be myself again
I think it's getting to the point
Where we have almost made amends
I think it's the getting to the point
That is the hardest part If you call, I will answer
And if you fall, I'll pick you up
And if you court this disaster
I'll point you home, I'll point you home You think I only think about you
When we're both in the same room
I'm only here to witness
The remains of love exhumed
You think we're here to play
A game of who loves more than whom If you call, I will answer
And if you fall, I'll pick you up
And if you court this disaster You think it's only fair to do
What's best for you and you alone
It's only fair to do
The same to me when you're not home
I think it's time to make this something
That is more than only fair So if you call, I will answer
And if you fall, I'll pick you up
And if you court this disaster
I'll point you home But I'm warning you, don't ever do
Those crazy, messed up things that you do
If you ever do, I promise you
I'll be the first to crucify you
Now it's time to prove that you've come back here to rebuild Rebuild
Rebuild
Rebuild
