Argos

Bob Mould

Standing at the Argos
Basement where the sex goes
Centuries of seed and stain
Underwater we remainNederlander profile
Round and nose of straight line
Dark hair buzzed and figurine
Standing right beside meHang out by the fruit machine
Right next to the bathroom
Skinhead muscle polo red
Cruising with a passionLead me to the Sanifair
Reach into my underwear
Damrak leads to Rokin
Everyone is smokingStand aloof in front of me
We ignore each other so perfectly
Head to the darkroom so narrow
Steep down the staircase I follow
