

# I Hate Goodbyes

Ben Broussard

Take a deep breath  
Go ahead and wipe your eyes  
I hate goodbyes

We should've known  
There was no compromise  
I hate goodbyes

A great idea  
Once in a life (?)  
Times have changed  
Left behind

A great idea  
Once in a life (?)  
Times have changed  
I hate goodbyes  
I hate goodbyes

We knew the truth  
Thought it a million times  
Can I really hold on (?)  
Through this crazy ride

You believe in fate  
Just a little too late  
Time to move on  
And walk till dawn (?)

A great idea  
Once in a life (?)  
Times have changed  
Left behind

A great idea  
Once in a life (?)  
Times have changed  
I hate goodbyes  
I hate goodbyes
