

Anything

Hedley

Everybody said, you better stay in school,
Get a real job, boy, don't be a fool,
Burn that guitar, you can never be a star,
I can, I can, I can, soA thousand disbelievers couldn't keep me on the ground,
I've invented a momentum that'll never slow me down,
I believe it 'cause I feel it, and I shout it out loud,
I can, I can, I can, soEverybody said, boy, don't go any higher,
Uh uh, fuck that, I can do anything,
Never push the limit, and don't play with fire,
Uh uh, fuck that, I can do anything,
Na na na na na na na, na na na na na na
Wear my heart on my fist take
You by surprise fighter,
Uh uh, fuck that, I can do anything(Ha ha ha okay, okay, okay)Be a movie star or rock a main stage,
An Xbox tester, or an astronaut in space,
If they tell you that you can't,
You can shove it in their face,
I can, I can, I can, soA hundred thousand disbelievers couldn't keep me on the ground,
I've invented a momentum that'll never slow me down,
I believe it 'cause I feel it, and I shout it out loud,
I can, I can, I can, soEverybody said, boy, don't go any higher,
Uh uh, fuck that, I can do anything,
Never push the limit, and don't play with fire,
Uh uh, fuck that, I can do anything,
Na na na na na na na, na na na na na na
Wear my heart on my fist take
You by surprise fighter,
Uh uh, fuck that, I can do anything(Yeah, yeah, yeah, yeah)I can do anything,
Never try, never win, never get a break,
You miss a hundred percent of the shots
You never take,
Oh oh oh oh oh oh oh oh oh
Oh oh oh oh oh oh oh oh oh
Oh oh oh oh oh oh oh oh ohEverybody said boy, don't go any higher,
Uh uh, fuck that, I can do anything,
Never push the limit, and don't play with fire,
Uh uh, fuck that, I can do anything,Everybody said, boy, don't go any higher,
Uh uh, fuck that, I can do anything,
Never push the limit, and don't play with fire,

Uh uh, fuck that, I can do anything,
Na na na na na na na, na na na na na na
Wear my heart on my fist take
You by surprise fighter,
Uh uh, fuck that, I can do anything
Na na na na na na na, na na na na na naEverybody said, boy, don't go any higher,
Uh uh, fuck that, I can do anything
