Bad Situation

The Vectors

See Baby
It's hard cause I care about you
But you my best friend's girl
And I can't get in between that
That's why I don't trust myself with you
I don't know what to do
Man, Listen up
[Verse 1]See, It's been 11 days since I saw you
I can't explain what I been going through
Girl your smile is as bright as the sunshine
There's some things out of my mind
This situation got you falling for me
Loving you what kind of friend would I be
I know that you're my best friend's woman
But I never felt this way before
[Hook]See you and me had something special (Yes we did)
And I can't let that get in the way (Said baby I'm sorry)
[Chorus]See loving you like I do
Makes me feel bad you
Cause my homie trust me with you
But I wish you were mine girl
And I know you feel the same

So I can't trust myself with you
Cause I want you bad
This is a Bad Situation
[Verse 2]Said I tried to make it work for you
And I tried to stay away from you
Cause I didn't want the stress on me
But I will just say baby it hurts me inside
Still I can't betray him
Help me out
Girl I'm so confused
[Hook][Chorus]Baby I can't do this no more (I can't do this no more)
And my mind cant take this no more (Baby, Baby)
[Chorus x2]Baby I can't do this no more (I can't do this no more)
And my mind cant take this no more (Baby, Baby)
[Chorus x2]
