

Get Confused

Fischerspooner

Do I like to have confusion? Yes, I do
Am I, am I in any danger? Yes, I am
Do I like whats happening? Yes, I do
And can I deal with it directly? Yes, I can I take the trouble, I take the time
I get the feeling that Im doing what's right
I may be reckless, maybe a fool
But I get excited when I get confused Will I have to start all over? Yes, I will
Had I the right to make those statements? Yes, I had
Shall I meet with opposition? Did I justify my actions?
Have I forgotten what the question was? Yes, I have I take the trouble, I take the time
I get the feeling that Im doing what's right
I may be reckless, maybe a fool
But I get excited when I get confused I take the trouble, I take the time
I get the feeling that Im doing whats right
I may be reckless, maybe a fool
But I get excited when I get confused Have I forgotten what the question was?
Have I forgotten what the question was?
When I, when I, when I, when I get confused
When I, when I, when I, when I get confused
