## **Always The Last To Know**

## **Del Amitri**

So you're in love with someone else
Someone who burns within your soul
And it looks like I'm the last to knowI hear you've never felt so alive
So much desire beyond control
And as usual I, I am the last to knowThe last to know, how you're feeling
The last to know, where you are
The last to know, if you're happy now
Or if he's treating you like I treated you

Or if he's cruel I'll be the last to knowWe spent summers up beyond the bay

And you said these are such perfect days

That if the bomb drops baby, I want to be the last to knowBut now you're living up behind the hill And though we share the same city and feel the same sun

When your winter comes I'll be the last to knowAlways the last to know, how you're feeling

The last to know, where you are

The last to know, if you're happy now
If he's pleading with you like I pleaded with you
Or if you go, don't let me be the last to know

Don't let me be the last to knowCreation's gone crazy, the TV's gone mad Now you're the only sane thing that I haveAlways the last to know, how you're feeling

The last to know, where you are
The last to know, if you're happy now
Or if he's cheating on you like I cheated on you
And you were the last to know, you were the last to know
Don't let me be the last to knowDon't let me be the last to know

No, no, no, no, no, no No, no, no, no, no, no
