So Fresh

Will Smith

Jazzy Jeff, Fresh Prince and
Jazzy Jeff, Fresh Prince and
Lil' taste of the old school
Jazzy Jeff, yo, break it down one time, say what?
One for the treble, two for the bass
Jazzy Jeff and Fresh Prince back up in your face
Me and Jeff again, oh my, you say
1985 to the Y2K
The new millennium, prophesies, I'm fulfillin' 'em
Everywhere I go, people be yellin?, "Yo, that's Will and 'em"
I ?Check The Rhime? like Quest
I wrote some dope doo-doo rhymes at my rest
The B I G W I L L
King of swing, and I rock well
The nail in the coffin of your average rapper
Jeff do the ditto for your average scratcher
Stature of a rapper slash actor
Back to the future on wax, the future of rap
Tap like Gregory Hines, read the headlines
Hip hop's number one son still shines
'Cause I'm so fresh
Big Will is so fresh
Jazzy Jeff is so fresh
West Philly is so fresh
Ladies and gentlemen, Biz Markie
Yes, y'all and to the funky beat and
Every time you hear me rhyme, y'all be freakin'
The B I Z will wreck it, R O R K it
You're guaranteed to like me for what I am sayin'
To all those other emcees that be tryin' to get the info
Forget the rest 'cause I'm the best, and I'm a nympho
Maniac, insaniac, I'll put you in a trance and
If you party with me I always keep you dancin'
Always keep you hyper, no matter what type of jin
You know I'm fresh and ripe
Yeah, that's right, I'm talkin' 'bout me
The R K I E in the place to be
I recognize and hypnotize, every time I tenderize

I specialize to open my eyes to make you realize
That you've been rocked with Jeff's plain skills
Tryin? diabolical, and my man Will
And we're so fresh
Big Will is so fresh
Biz Mark is so fresh
Jazzy Jeff is so fresh
Biz, do it
For the old school
Ladies and gentlemen, Ricky D
Well, once upon a time eccentric head shorty
Where people wore pajamas and went to bed early
There was a little boy, tight clout that might sprout
Tried to help lead black folk the right route
Delayed, negative voices, many, once in prison
For unwise choices that he once made
Divide the men, cops were sent inside of him
And seein? the good he had within him, let him out again
No longer for a big time baller with
Big Willies like Will Smith, now call the kid
So check the gift, every day [Incomprehensible]
That's what happens when you steer black folk away from negative
Not to mention chasin' charts, killin' 'em
There'll be a member of the Biz Mark, Will and Rick
Demise sent, can't mess with the mindset
Come runnin' to us, December 1999 said
It's all because of you, I'm feelin' sad and blue
You went away, now my life is rainy days
I love you so, how much you'll never know
You took your love away from me
You took your love away from me
You took your love, you took your love, you took your love
Yes, you took your love, took your love away from me
Slick Rick, Will Smith, Biz Mark, true dat, true dat, Jazzy Jeff y'all
So fresh
So fresh
So fresh
