

Real Big Sky

Emma Ruth Rundle

When They broke your body They broke your mind but with broken spirits you have always tried
I watch you sleep, I watch you fade I will always keep the light on even though you can't stay And you sing to
me, you say I don't want to be awake when It takes me
but I can't wait to see you smile on the Other Side I can't wait to kiss the face of The Big Sky Won't you stay
here for a while with me, my Child And you're losing your vision, and you're going blind What starts out in the
night time follows you in the morning light I watch you sleep, I watch you fade I will keep the light on as you
change even though you can't stay and you sing to me, you say
"I don't want to be awake when It takes me
I won't ever change my mind
I can't wait to kiss the face of The Big Sky
I don't want to say goodbye to you
My Child "
