Ain't No Use

Moby Grape

Ain't no use in saying that I love you
Ain't no use in saying that I do
Ain't no use in saying that I love you
'Cause you know that I know that it's trueAin't no use in saying I'll be faithful
Ain't no use me acting like a fool
Ain't no use in saying I'll be faithful
'Cause you know that I know that it's trueIt doesn't really matter what I try to do
Not a man in this here land will treat you like I doAin't no use in saying that I love you
Ain't no use in saying that I do
Ain't no use in saying that I love you
'Cause you know that I know that it's true
