

I Saw Red (Re-Recorded / Remastered)

Warrant

Ooh, it must be magic
How inside your eyes, I see my destiny
Every time we kiss, I feel you
Breathe your love so deep inside of meIf the moon and stars should fall
They'd be easy to replace
I would lift you up to Heaven
And you would take their placeAnd I saw red when I opened up the door
I saw red, my heart just spilled onto the floor
And I didn't need to see his face, I saw yours
I saw red and then I closed the door
Well I don't think I'm gonna love you anymoreEvery day I wake up
I thank God that you are still a part of me
We've opened up the door to it
So many people never find the keyAnd if the sun should ever
Fail to send it's light
We would burn a thousand candles
And make everything alrightAnd I saw red when I opened up the door
I saw red, my heart just spilled onto the floor
And I didn't need to see his face, I saw yours
I saw red and then I closed the door
And I don't think I'm gonna love you anymoreAnd I've been hurt and I've been blind
Well I'm not sure that I'll be fine
I never thought it would end this way'Cause I saw red when I opened up the door
I saw red, my heart just spilled onto the floor
And I didn't need to see his face, oh, I saw yours
I saw red and then I closed the door
I don't think I'm gonna love you anymoreOoh, it must be magic
