

Genocya

Overkill

I'm your destructive pride
Your homegrown, goddamn genocide
The standard behind which you hide
I'm at your door, right by your side, soGo, high
Go, higher
Go, high
Go, higherI'm the hate, the jealousy
I can magnify the agony
The self-destructive qualities
So won't you come and go with me, andGo, high
Go, higher
Go, high
Go, higherMy lack of tolerance nice as you please
My interference put them down at their kneesI am your hopeless, despondent
Your derelict hole
I am your genocide
The mass inflicted cyanideI am your illness, your ailment
The hole in your soul
I am your genocide
The mass inflicted cyanideMy lack of tolerance nice as you please
My interference put them down at their kneesI am your hopeless, despondent
Your derelict hole
I am your genocide
The mass inflicted cyanideI am your illness, the ailment
The hole in your soul
I am your genocide
The mass inflicted cyanideGo, high
Go, higher
Go, high
Go, higher
Go, high
Go, higher
Go, high
Go, higher
Go
