

Can't Do Without You

Caribou

(Can't do without)

(Can't do without)

(Can't do without)

(Can't do without)

(Can't do without)

(Can't do without)

(Can't do without)

(Can't do without)

(Can't do without)

(Can't do without)

(Can't do without)

(Can't do without)

(Can't do without)

(Can't do without)

(Can't do without)

(Can't do without)

(Can't do without)

(Can't do without)

(Can't do without)

(Can't do without)

(Can't do without)

(Can't do without)

(Can't do without)

(Can't do without)(I can't do without you)

(I can't do without you)

(I can't do without you)

(I can't do without you)

(I can't do without you)

(I can't do without you)

(I can't do without you)

(I can't do without you)

(I can't do without you)

(I can't do without you)

(I can't do without you)I can't do without you

I can't do without you

I can't do without you

I can't do without you

I can't do without youCan't do without

Can't do without

Can't do without
Can't do without
Can't do without
Can't do without
Can't do without
Can't do without
Can't do without
Can't do without
Can't do without
Can't do without
Can't do without
Can't do without
Can't do without

Can't do without I can't do without you

I can't do without you
I can't do without you
I can't do without you
I can't do without you
I can't do without you
I can't do without you
I can't do without you
I can't do without you
I can't do without you
I can't do without you
I can't do without you

I can't do without you Can't do without

Can't do without
Can't do without
Can't do without
Can't do without
Can't do without
Can't do without
Can't do without
Can't do without
Can't do without
Can't do without
Can't do without
Can't do without

Can't do without I can't do without you

And you're the only thing I think about (I can't do without you)

It's all that I can still do (I can't do without you)

And you know you're the one I dream about (I can't do without you)

I couldn't do without you
